

# SICO <sup>NEW</sup> 3-in-1 ConverTable

Multi-Purpose Rooms Need a Multi-Talented Table

The one, perfect solution for multiple seating needs is SICO's new 3-in-1 ConverTable. It is ideal for schools, churches, clubs, community centers, or any other facility that has a multi-purpose room. SICO's 3-in-1 ConverTable can be configured in bench mode for auditorium seating, as a single unit (bench and tabletop) for testing and seminar applications, or in cafeteria/social-seating mode where two units are linked together.

Transform your spaces by transforming the new SICO 3-in-1 ConverTable.

Wheelchair accessible.

Easy to handle and store. Each unit rolls on its own casters. Compact storage allows for efficient use of your space.

Auditorium configuration.

Cafeteria configuration.

Testing configuration.

4th solution: Use in classroom mode. Combine bench with back support together with a writing surface.

# SICO <sup>NEW</sup> 3-IN-1 ConverTable

Innovative, Creative, Functional: All that you expect from a SICO table!

**NO MORE STANDING ROOM ONLY!**  
The SICO 3-in-1 ConverTable reduced caster beam design allows more tables in a smaller space and easier access in and out of aisles.

# SICO <sup>NEW</sup> 3-in-1 ConverTable\*

Leading the way again, SICO introduces a table that is beyond compare!

## EASY IN & EASY OUT:

- No more stepping over an extended caster beam which is awkward and clumsy for guests.
- When your new SICO 3-in-1 ConverTable is configured in bench mode, there is easy access IN and OUT of aisles.
- SICO's innovative table design showcases our reduced caster beam length and one-of-a-kind frame design.

New ConverTable Caster Beam

Traditional ConverTable Caster Beam

SICO's **engineering leadership** has designed a caster beam that makes all the difference. By reducing the length of the caster beam and positioning it differently on the frame, the back of the caster beam on the new 3-in-1 ConverTable is 50% shorter than other convertible tables on the market.

SICO's **innovation** is your advantage: When in the bench mode, your guests can walk easily IN and OUT of aisles without having to awkwardly step over an extended caster beam.

**Tamper proof expansion rivets** secure frame onto sturdy MDF (Medium Density Fiberboard) core. 32% more holding power than screws and particleboard.

SICO's new leg support system automatically extends the table legs to the floor as the top is folded flat for added stability.

Easy fold top eliminates the need for latches.

New heavy duty bench pivot legs are 1-1/4" (3.18cm) diameter and 14 gauge steel. Simplified design adds strength and durability.

**Durability:** The legendary SICO Armor-Edge® treatment has a proven track record for long-term durability.

Aircraft lock-nuts used at all pivot points. Nuts are tamper resistant and won't loosen over time.

Front mounted wheel locks keep table in place. 3" (7.6cm) swivel casters allow one person to easily roll table into service or storage.

**Tough .04" high-pressure laminate** tabletops meet NEMA specifications for durability and wearability.

**Non-marking neoprene glides** contain metal washers that protect floors by preventing leg tubes from breaking through glides.

**Heavy-duty powdercoat frame** provides a long-lasting finish that is durable and scratch resistant.

**Tamper proof caster beam endcaps** are secured with a unique stem and nut system, ensuring that they will not fall out.

New design increases seating capacity between leg supports. More space for your guests.

All SICO tables come with serial numbers for easy ID.

SICO's **NEW oval tube frame** gives the table an upscale look for your facility. The oval tubes are 2-1/2" / 1-1/8" providing strength and stability.

**Optional:** Easy to operate unit-to-unit connectors available.

**Fully unitized 14 gauge top frame** provides a strong and durable table.

**Warranty:** Lifetime warranty on welds and 15 years on other components.

Top shape	Description	Top heights	Storage dimensions - 1 unit	Shipping Weight
Rectangle	72" L (183cm)	29" (74cm) standard, 27" (69cm) available	19" Deep x 72" L (48cm x 183cm)	120 lbs (54kg)
Rectangle	96" L (244cm)	29" (74cm) standard, 27" (69cm) available	19" Deep x 96" L (48cm x 244cm)	125 lbs (57kg)
