SAFETY

FUNCTION

COSMETIC

S **Cabinet Locks:** 6 lock points in each table/bench pocket
2 Top Locks - 2 Channel Side Locks - 2 Bottom Locks

S **Pocket Key™ & Pocket Lock™:** Keyed mullion locks have set a new standard in the industry

S **Anti-Jackknife Lock:** Automatic steel downlock secures table/bench halves - eliminates possibility of jackknife

F **Sanitary Top:** High pressure laminate top & balancing gator backer below are bonded to 3/4" thick 45 lb. density particle board - free from unsanitary lock holes

F **Select an Edge:** Choice of either DuraEdge™ extended vinyl bull nose fixed 6" O.C. for terrific bump resistance, or Armor Edge™ the original sprayed-on polyurea edge

F **Mitchell Lift System:** 4 torsion bars/table & pneumatic gas cylinders/bench provide big lift assistance

F **ADA:** System adapts to ADA specifications

F **Wide Selection:** Single, double, triple & quad depth units; Surface, recess & half-in/half-out wall mounts; Dozens of height, width and length combinations

F **Powder Coat:** Jet black powder coat steel components

F **Cabinet Assembly:** Each cabinet is welded in sections & bolted as one minimizing replacement cost if a cabinet is field damaged.

F **Non-mar Casters:** Table & bench end legs equipped with 2" diameter, non-mar, hard rubber casters

F **Swivel Center Leg Casters:** Table center legs have swivel casters for easy maneuverability

F **Steel Channel Aprons:** Each table and bench top is supported with two-parallel, full-length, 1.75" "U" channel, smooth edge, cold rolled steel aprons

F **Bench Center Channels:** Benches have steel center channels for extra support in critical weight load area

F **Laminate:** Hundreds of laminate choices from Wilsonart Design Series 1 - Group 38 & 60 finishes. Choose a contrasting color for table and bench top

F **Adjusting Brace Rods:** Field adjusting brace rods bring tops into proper parallel relationship with the floor

S **Turn-Key:** Together with our local dealer we conduct a meticulous site survey; our space planning analysis provides a layout & quote of the best system for the space; the system ships fully assembled; ready for factory certified installation and debris removal.
