Bookcases

Like our mobile cabinets, Virco bookcases are engineered for the long haul. Sturdy steel frames give our bookcases superior strength and durability. Unlike ordinary particleboard shelves that can easily bend or warp under heavy loads, our reinforced 20 gauge steel shelves are designed for years of use. Virco bookcases are also 48" wide, 33% wider than standard bookcases, giving you more storage space for your dollar. And because our bookcases come factory assembled, you won't have to fuss with messy glue, missing screws or confusing assembly instructions.

Mobile Cabinet Features

- 1 Unitized Steel Frame**
All-welded frames deliver superior strength. Powder coat paint provides more durable, lasting protection than enamel.
- 2 Magnetic Door Catches**
A magnetic force of 15 pounds helps keep doors securely closed without locks.
- 3 Industrial-Strength Locks**
Doors lock individually into the steel frame, allowing teachers to monitor student access to cabinet space.

11 All-Steel Shelves
Shelves with reinforcement channels are stronger, yet lighter than particleboard. Smooth shelf edges are formed for safety.

10 Recessed Adjustment Strips
Steel strips allow quick shelf adjustment in 1/2" increments.

9 Doors Open 270°
Doors open completely against cabinet sides for enhanced safety and convenience. Hinges with non-removable pins enhance security.

8 Contoured Handles on Drawers & Doors
Smooth, contoured handles for enhanced safety promote easy use of drawers and doors.

7 Fully Extending Drawers
Reliable steel ball-bearing glides let drawers extend fully for complete access to storage space.

4 Secure Panel Attachment
Panels with thermofused melamine surfaces are attached to the unitized frame with four flathead bolts and aircraft lock nuts. Screws are also inserted through the frame and into panels to attach all edges.

5 Recessed Side Handles
66" and 72" high cabinets have a recessed handle on each side that swings up and "locks" in position to facilitate mobility. Handle recess does not compromise storage space.

6 Deluxe Industrial Casters
5" diameter casters with 2" width are bolted through the cabinet's unitized frame. Virco uses exclusively heavy-duty rated casters. Front casters also have positioning locks.
